Teamwork is people working as a group towards a common goal. Whether in the workplace or on the football field, or among members of a community, effective teamwork can produce incredible results. In a teamwork environment, people believe that planning, decision making and actions are better when done cooperatively. For United Way, it means volunteers throughout the community coming together for a common cause -- providing needed services to those who need help, strengthening families, improving health and independence and fostering education. At the **Auburn-Opelika Tourism Bureau**, we understand the value of Teamwork and the energy and success it can bring to the community. We need you to be part of our team. Join us in being part of the United Way team and help us as we work together to build a stronger community for everyone. GIVE. ADVOCATE. VOLUNTEER. LIVE UNITED.
