

I Don't Just Wear the Shirt

I LIVE it.

Volunteering has always been a part of our lives. We volunteer with several community organizations including the United Way. We cannot help every single person ourselves so we give to the United Way because it is the most efficient, effective way to help people in our community. We always get back more than we give. Most people want a hand up, not a hand out.

We want our children to see us volunteering and giving back to set a good example for them.

We are Eric and Ellen and we don't just wear the shirt, WE LIVE IT.
