

I Don't Just Wear the Shirt

I LIVE it.

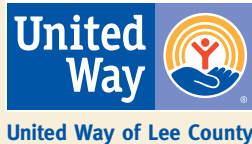

I was born and raised in Lee County and am currently the Chief of Police for the City of Auburn.

I've been a volunteer for the United Way since 1991 and a loyal contributor since the 70's. The United Way is how I give back to the community. As I grow older and wiser and realize how blessed I have been in life, my commitment to helping others has grown. As I gain experience with and view the actions of members of the United Way and its supported agencies, I realize more and more the value of what they do on a daily basis. If not for the grace of God, my family and I could be on the requesting end of services, devastated by an illness and /or personal disaster. It may happen yet. I pray that it doesn't, but I also feel fortunate in that I know there are agencies in our community who stand ready to help. Did I mention as you get older, you also tend to be more comfortable with who you are and don't mind speaking up a little bit!

My name is Frank. That is how I LIVE UNITED.
