

I Don't Just Wear the Shirt

I LIVE it.

My name is Jane. For the past 6 years, I have worked as a volunteer for the Community Market by coordinating the Tuesday morning Brown Bag program. We serve a very social group of 50 different clients every Monday and Tuesday mornings. I have the opportunity to work with a team of 15 wonderful volunteers, who make the market a friendly place. United Way supports the brown bag program which helps to feed over 400 low-income elderly residents in Lee County on a monthly basis. As a client-choice program, Community Market allows our clients to choose their own food items.

There are so many people in need and as Americans we have a responsibility to help others. People need to know that someone cares.

That's how I LIVE UNITED.

GIVING MY TIME: THAT'S HOW I LIVE UNITED
