

# I Don't Just Wear the Shirt **I LIVE IT.**

I may not be able to leap tall buildings in a single bound like Superman, but through our United Way, I can provide low income senior citizens with bags of groceries every month of the year! I'm also helping children with dental needs and learning skills they will need for success in school. That's way more important than jumping over buildings. Please join me, Jay Jones, Lee County Sheriff in giving to the United Way. LIVE UNITED and take action to support our community.
