

I Don't Just Wear the Shirt **I LIVE IT.**

I like to be involved in the community I live in. That's one of the reasons I serve on the United Way Board of Directors. United Way is involved in so many different areas of our community: helping to improve people's health, helping children and youth reach their potential and supporting basic needs of families in crisis. It takes a strong community and a strong United Way to help those who are in need during these trying economic times. Working together, we can have the strength of a hundred Incredible Hulks, to improve the conditions of those around us. Join me, Joe Hampton, Opelika Division Manager for Alagasco, in being a person of Action and supporting the United Way Campaign.
