

# I Don't Just Wear the Shirt **I LIVE IT.**

I am a woman of action. I like to seek solutions to challenges in our community. But solutions do not come from magic capes or powerful bracelets. Solutions to community issues come from individuals, joining together to make a difference. Changes come about by all of us being involved in our community and taking action. United Way is taking action to strengthen families, improve access to quality childcare and access to healthcare. Won't you join me, Laura Cooper, United Way 2010-2011 Campaign Chairperson, in taking action and making a contribution to this year's United Way Campaign. Working together, we can be true Action Heroes to our community.
