

HOW I LIVE UNITED

My name is Clifford. I am the reverend of Greater Peace Baptist Church. I care for my community by volunteering with the United Way, The Boys and Girls Club of Lee County, The Salvation Army, The Red Cross, The East Alabama Food Bank, The Childcare Resource Center and the Auburn City Board of Education. One of the greatest privileges we have, and one of the greatest responsibilities, is to give back to the community. For many of us it means volunteering and giving back our time. The payback is the change I see in the lives of other people. When I look at the number of agencies that touch the lives of the people of our community, I see that the United Way is integral to the support of those organizations and agencies. The organizations have the assurance of continued support as a result of the efforts of the United Way. There are many agencies that depend totally on the United Way. I don't know what they would do without the United Way.

STAYING ACTIVE IN MY COMMUNITY: THAT'S HOW I LIVE UNITED
