

HOW I LIVE UNITED

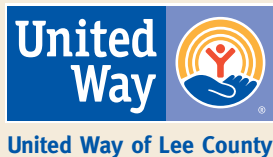

My name is Patsy. I've been a volunteer my entire adult life. My focus now is with the Lee County Literacy Coalition. I love to see someone succeed or find hope. There's a sense of unity when people do what they can to volunteer. When we, of the community, are giving of our time, energy, talents, monetary gifts, etc., we're creating a united effort to make all of our lives stronger, smarter and safer. I get so much more out of volunteering than I put into it, that's for sure.

The United Way is important because it is the central agency that coordinates all the facets of need in our community.

VOLUNTEERING. THAT'S HOW I LIVE UNITED

GIVE. ADVOCATE. VOLUNTEER. LIVE UNITED

Want to make a difference? United Way is creating lasting change, by focusing on education, income and health. That's what it means to Live United.
