

# I Don't Just Wear the Shirt **I LIVE IT.**

Volunteers, 7 years

Children are like sponges, they soak up everything around them! Setting good examples for our children to follow is important, and that includes being involved in community organizations and activities.

Volunteering is an important step in making our community stronger. It is about taking action to make life better for everyone. Whether young or old, you can make a difference. Won't you join our Moseley family in being an "Incredible Family" by contributing to the United Way? Together we can improve the lives of those around us. Take Action! Get Involved! LIVE UNITED!

# Take Action! LIVE UNITED
