

# GIVE. ADVOCATE. VOLUNTEER. LIVE UNITED

Imagine how many needs would go unanswered without volunteers. Without faithful volunteers, most charitable organizations would not be able to provide the level of service and/or reach the people who are in need. United Way is no different. Whether it is reading books to a child, or helping to feed the hungry, or mentoring programs for children and adults; these organizations do not have the manpower or funds to do all the work. That is why volunteers are so important and needed. Volunteering is also good for the person. It lets you appreciate what you have and gives you a great feeling knowing that you have helped another human being! It may be true that no one person can solve all the world's problems, but what you can do is make that little corner of the world where you live just that little bit better. I'm **T.J. Jackson**, former Opelika Bulldog, Auburn University Tiger, Atlanta Falcon and Kansas City Chief defensive tackle. I know volunteers make a difference and that's how I LIVE UNITED.
