

I Don't Just Wear the Shirt **LIVE IT.**

It doesn't take a "Bat signal" over the skies of Lee County to know that there are people in our community in need of help. Whether it is food, shelter or clothing United Way of Lee County is working every day through their partners, programs and initiatives to insure help to those who are hurting. Now that's what I call a SUPER HERO! Join me Terry Andrus, CEO of East Alabama Medical Center, in giving to the United Way. It doesn't take a lot, just all of us doing our part. Get Involved! Take Action! Don't you want to be a Super Hero too?
