

United For a Cause? Absolutely.

Democrat
Bill Parker

Republican
Lee Cannon

We may not agree when it comes to politics, but outside the party we're United for a Cause. When it comes to supporting our community, the United Way of Lee County has our vote! The programs they provide help meet the genuine needs of so many, right here in our community. We may see things a little differently, but the community is stronger when we're all united. Join us. United for a Cause.
